

Connective invests in passionate and determined individuals from diverse backgrounds, whose unique skills and experiences contribute to our common goals. We believe that the diverse characteristics of individuals enrich our communities, and we strive to create spaces where these differences are valued and celebrated

Named among Canada's Nonprofit Employer of Choice, Living Wage Employer, and High-Performance Culture Employer, Connective seeks colleagues who can help shape and embody our core commitments to a safe, healthy, and inclusive community for all. Consider joining our committed team of staff and being part of an innovative, inclusive and rewarding workplace.

We are proud to support people and communities on the ancestral and traditional territory of the Kwanlin Dün First Nation, Ta'an Kwäch'än Council, and other Yukon First Nations. We are honoured to work as visitors on Indigenous land, and do not take lightly the privilege and responsibility of providing culturally appropriate services. To uphold our commitment to providing culturally informed and appropriate services, we work to integrate the wisdom, expertise, and knowledge of Elders, Indigenous Leadership, Knowledge Keepers, Indigenous service users and Indigenous-led community groups in all that we do.
